Great Reasons to buy **KEGS**

choice! light, dark, amber, bitter or malty, if we have it on tap we should be able to fill you a keg. **flexibility!** four different sizes to suit any size gathering. **easy!** our kegs are the North American industry standard, easy to use and trouble free. **convenient!** we supply you with a keg pump/beer faucet. All you need are beer cups and a bucket of ice to keep your keg cool. **fresh!** give us at least 24 hours notice and we'll fill your keg right from our main beer tanks. **quality!** enjoy our national award-winning suds. **cool!** we'll keep your keg in our beer cellar so it will be nice and cold when you pick it up. **popular!** that's what you'll be when you tell everyone you're having a Bushwacker keg party!

| 10 LITRE KEG | 19 LITRE KEG | 29 LITRE KEG | 59 LITRE KEG |
|--------------------------|--------------------------|--------------------------|---------------------------|
| 29 STANDARD BEER BOTTLES | 55 STANDARD BEER BOTTLES | 85 STANDARD BEER BOTTLES | 171 STANDARD BEER BOTTLES |

WINES & IMPORTED BEERS

All of our imported beers and ciders are available to go.
A selection of popular wines and Saskatchewan fruit wines are also available.

Great Reasons to buy **GROWLERS**

style! our refillable beer containers are available in three unique designs; glass, stainless steel and ornate glass/metal. **fresh is best!** we fill your growler directly from our taps while you wait. What could be fresher? **availability!** if it's a Bushwacker beer and it's on tap, we will fill your growler. **extend your cool!** wrap a bright orange Bushwacker neoprene beer suit around your glass or stainless steel Bushwacker growler to keep your fresh suds chilled for hours.

BIG BOTTLES & JUGS

View our selection of Bushwacker take home beers available in 650ML glass bottles and 2L plastic jugs in our large cooler at the end of the bar.
