GREAT REASONS TO BUY A KEG

choice! light, dark, amber, bitter or malty, if we have it on tap we should be able to fill you a keg. **flexibility!** four different sizes to suit any size gathering. **easy!** our new kegs are state of the art, easy to use and trouble free. **convenient!** no empty beer bottles to break or clean up. All you need are beer cups and a bucket of ice to keep your keg cool. **fresh!** give us at least 24 hours notice and we'll fill your keg right from our main beer tanks. **quality!** voted Regina's best locally brewed beer. **cool!** we'll keep your keg in our beer cellar so it will be nice and cold when you pick it up. **popular!** that's what you'll be when you tell everyone you're having a Bushwakker keg party.
