

# 100% blue agave tequilas

SUBJECT TO AVAILABILITY

Just as sophisticated as single malt whisky, these ultra premium tequilas are very complex indeed. Definitely spirits of this quality are to be slowly sipped and contemplated. Made from the distillation of blue agave only with no added inferior cane sugars, these tequilas are infinitely more pleasurable to drink than the more commonly available mixto tequilas.

**BLANCO** - UNAGED   **REPOSADO** - AGED 2 MONTHS TO A YEAR   **ANEJO** - AGED OVER A YEAR
